- (c) A member who is entitled to attend, speak and vote may appoint a proxy to attend, speak and vote instead of him/her.

- (e) A proxy need not also be a member of the Company but must attend the AGM in order to represent you.
- (f) A proxy must vote in accordance with any instructions given by the member by whom the proxy is appointed.
- (g) A proxy form is enclosed with this Notice of AGM and instructions for its completion are shown on the form. You can only appoint a proxy using the procedures set out in these Notes and in the notes to the proxy form.

- (j) A vote withheld option is provided on the proxy form to enable you to instruct your proxy not to vote on any particular Resolution. 4. Regulation 41 of the Uncertificated Securities Regulations 2001

The Company, pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those shareholders registered in the register of members of the Company as at 6 p.m. on Friday 3 June 2011 (or, if the AGM is adjourned, two working days before the time fixed for the adjourned AGM) shall be entitled to attend or vote at the AGM in respect of the number of shares registered in their name at that time. Any changes to the register of members after such time shall be disregarded in determining the rights of any person to attend or vote at the AGM.

5. Electronic proxy appointment through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members,

and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited ("EUI")'s specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or relates to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in this Notice of AGM. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The CREST Manual can be reviewed at www.euroclear.com/CREST.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.

6. Corporate Representatives

A member which is a corporation or other organisation not having physical presence cannot attend in person but can appoint someone to represent it. This may be done in one of two ways: either by the appointment of a proxy (described in the notes above) or of a corporate representative. Members considering the appointment of a corporate representative should check their own legal position, the Company's Articles of Association and the relevant provisions of the Act.

7. Joint Holders

In the case of joint holders of shares, the vote of the first named in the register of members who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of other joint holders.

Explanatory Notes

Resolution 1: Report and accounts

The Directors will present the audited financial statements of the Company for the year ended 31 December 2010 (the "2010 Annual Report and Accounts"), together with the Directors' report and the auditor's report on those financial statements.

Resolution 2: Directors' remuneration report

The board submits the Directors' remuneration report for the year ended 31 December 2010 to a vote of the shareholders. Shareholders should note that the vote is advisory only and will be in respect of the content of the Directors' remuneration report and not specific to any Director's level or terms of remuneration. The Directors' entitlement to remuneration is not conditional on Resolution 2 being passed. The Directors' remuneration report is on pages 33 to 34 of the 2010 Annual Report and Accounts.

Resolution 3: Declaration of dividend

A final dividend can only be paid after the shareholders at a general meeting have approved it. A final dividend for the financial year ended 31 December 2010 of 0.35p per Ordinary Share is recommended by the Directors for payment to shareholders who are on the Register at the close of business on 15 July 2011. If approved, the date of payment of the final dividend will be 15 August 2011.

Resolution 4: Re-election of Director

The Company's Articles of Association and the UK Corporate Governance Code require that all directors retire at least every three years and that all newly appointed Directors retire at the first Annual General Meeting of the Company following their appointment.

In accordance with the Company's Articles of Association, Tony Martin offers himself for re-election at the AGM.

Having considered the performance of and contribution made by Tony Martin the board remains satisfied that his performance continues to be effective and he demonstrates commitment to the role as Chairman and as such recommends his re-election.

Biographical details of all Directors, including those not standing for re-election, can be found in the 2010 Annual Report and Accounts and appear on the Company's website at www.empresaria.com.

Resolutions 5 and 6: Re-appointment and Remuneration of auditors

The Company is required to appoint auditors at each Annual General Meeting of the Company at which accounts are laid before shareholders, to hold office until the next such meeting. These Resolutions propose that Deloitte LLP be re-appointed as auditors for the current year and that the Directors be authorised to determine their remuneration.

Resolution 7: Directors' authority to allot securities

As at 21 April 2011 there were 44,562,847 Ordinary Shares in issue and no Ordinary Shares were held by the Company in treasury.

The Directors may only allot Ordinary Shares or grant rights over Ordinary Shares if authorised to do so by shareholders. The authority granted at the last Annual General Meeting of the Company to allot relevant securities is due to expire at the conclusion of the AGM. Accordingly, this Resolution seeks to grant a new authority under section 551 of the Companies Act 2006 to authorise the Directors to allot shares (including treasury shares) in the Company or grant rights to subscribe for, or convert any security into, shares in the Company and will expire at the conclusion of the next Annual General Meeting of the Company in 2012 or, if earlier, the close of business on 31 August 2012.

If passed, sub-paragraph (a) of Resolution 7 would give the Directors authority to allot shares or grant rights to subscribe for, or convert any security into, shares in the Company up to an aggregate nominal value of £894,695.20 representing:

- (a) approximately one third (33.33%) of the Company's existing issued share capital (excluding shares held in treasury) and calculated as at 21 April 2011 (being the latest practicable date prior to publication of this Notice of AGM); and
- (b) 3,039,622 Ordinary Shares, being the maximum estimated number of Ordinary Shares which may be issued by the Company (based on the mid-market price of an Ordinary Share at the close of business on 21 April 2011, being the latest practicable date prior to publication of this Notice of AGM) pursuant to earn-out, deferred consideration and similar arrangements made by the Company in previous and anticipated acquisitions of shares in certain subsidiary companies.

In accordance with the latest institutional guidelines issued by the Association of British Insurers ("ABI"), sub-paragraph (b) of Resolution 7, if passed, would give the Directors authority to allot, including the shares referred to in sub-paragraph (a) of Resolution 7, further of the Company's shares in connection with a pre-emptive offer by way of a rights issue to shareholders up to a maximum nominal amount of £1,485,428.25, representing approximately two thirds (66.67%) of the Company's existing issued share capital (excluding shares held in treasury) and calculated as at 21 April 2011 (being the latest practicable date prior to publication of this Notice of AGM).

Save as referred to at paragraph (b) above, there is no present intention of exercising this authority. However, it is considered prudent to maintain the flexibility that this authority provides so that the Company can more readily take advantage of possible opportunities should they arise.

Resolution 8: Disapplication of pre-emption rights

Under section 561(1) of the Companies Act 2006, if the Directors wish to allot any of the unissued shares or grant rights over shares or sell treasury shares

for cash (other than pursuant to an employee share scheme) they must in the first instance offer them to existing shareholders in proportion to their holdings. There may be occasions, however, when the Directors will need the flexibility to finance business opportunities by the issue of shares without a pre-emptive offer to existing shareholders. This cannot be done under the Companies Act 2006 unless the shareholders have first waived their pre-emption rights. Resolution 8 asks the shareholders to do this and, apart from rights issues or any other pre-emptive offer concerning equity securities, the authority will be limited to the issue of shares for cash up to a maximum aggregate nominal value of £111,407.10 (which includes the sale on a non pre-emptive basis of any shares held in treasury), which is equivalent to approximately 5 per cent of the Company's issued ordinary share capital as at 21 April 2011 (being the latest practicable date prior to publication of this Notice of AGM).

This Resolution seeks a disapplication of the pre-emption rights on a rights issue so as to allow the Directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which, for example, might arise with overseas shareholders. If given, the authority will expire at the conclusion of the next Annual General Meeting of the Company in 2012 or, if earlier, the close of business on 31 August 2012. The Directors intend to seek renewal of this authority at subsequent Annual General Meetings of the Company.

The Companies (Acquisition of Own Shares) (Treasury Shares) Regulations 2003 (as amended) ("Treasury Shares Regulations") give flexibility concerning what the Company can do with any of its Ordinary Shares that it may buy back. The Company may now hold such shares "in treasury" and then sell them at a later date for cash rather than simply cancelling them. The Treasury Shares Regulations require such sales to be on a pre-emptive, pro-rata basis to existing shareholders unless shareholders agree by special resolution to disapply such pre-emption rights. Accordingly, in addition to giving the Directors power to allot unissued Ordinary Shares on a non pre-emptive basis, Resolution 8 will also give the Directors power to sell Ordinary Shares held in treasury on a non pre-emptive basis, subject always to the limitations noted in Resolution 8.

Resolution 9: Authority to purchase shares (market purchases)

In certain circumstances it may be advantageous for the Company to purchase its own shares and Resolution 9 seeks the authority from shareholders to continue to do so. Authority was given to the Company to make market purchases up to an aggregate of 2,228,142 of its Ordinary Shares at the Annual General Meeting of the Company held on 3 June 2010 (being equal to approximately 5 per cent of the Company's issued ordinary share capital as at 4 May 2010, the latest practicable date prior to the publication of the notice for the Annual General Meeting of the Company held on 3 June 2010). This authority is due to expire at the end of the AGM and it is proposed that the Company be authorised to continue to make market purchases up to an aggregate of approximately 5 per cent of the Company's issued ordinary share capital as further described below. The Directors will exercise this power only when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be to increase earnings per share and will be likely to promote the success of the Company for the benefit of its members as a whole. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account when exercising this authority. Save to the extent purchased pursuant to the Companies Act 2006, any shares purchased in this way will be cancelled and the number of shares in issue will be reduced accordingly. The Company may hold in treasury any of its own shares that it purchases pursuant to the Companies Act 2006 and the authority conferred by this Resolution. This gives the Company the ability to reissue treasury shares quickly and cost-effectively and provides the Company with greater flexibility in the management of its capital base. It also gives the Company the opportunity to satisfy employee share scheme awards with treasury shares.

The proposed authority would be limited to purchases of up to 2,228,142 Ordinary Shares which is equal to approximately 5 per cent of the Company's issued ordinary share capital as at 21 April 2011 (being the latest practicable date prior to publication of this Notice of AGM). The Resolution specifies the maximum and minimum prices at which the Company's shares may be bought.

If given, this authority will expire at the conclusion of the next Annual General Meeting of the Company in 2012 or, if earlier, the close of business on 31 August 2012. The Directors intend to seek renewal of this authority at subsequent Annual General Meetings of the Company.
